

R³ Nordic
40TH Anniversary 2009
40TH Symposium 2009
GOTHENBURG SWEDEN

Exhibitors Invitation

R³ Nordic welcomes you to the year 2009 Symposium and Exhibition at Hotel Arken, Gothenburg, Sweden.

The conference centre has all the facilities for the success of our anniversary event. The exhibition will take place in the big congress hall at the hotel where you and your company will have the very best opportunity to present and demonstrate your products and services.

- The registration fee for one exhibitor is included in the price for the stand.
- All costs for the exhibition, including the registration fee for a co-exhibitor, a second representative from your company, will be administered by and paid to Jarl & Co. We allow a maximum of two exhibitors per company to participate at the lower registration fee.
- The exhibitors have full access to all the lectures at the symposium.

Study the prospect and fax me your order as soon as possible. You can also call me to discuss and to reserve an area/a stand directly on the phone. All applications and orders will be treated in chronological order.

Preliminary plan and layout of the exhibition 2009 in Gothenburg

A perfect solution

All the stands will be situated in the big congress hall at the hotel. There is a total of 36 areas organized for you, whereof 18 will be arranged as stands, with showcase walls. The other 18 areas are sold without any kind of walls to hang signs or posters.

Hopefully you will find a perfect area for your company because of the generous mix of sizes and prices.

Prices include fee

The registration fee for one exhibitor is included in the firm price for the area.

For co-exhibitors, a second representative, the fee will be only SEK 3500,-.

Each area has a firm price based on total area, location and in some cases also shape. It is important that you note and respect the planning made, to avoid problems and crowding for the visitors. The measures stated are the width along the wall and the maximum depth of the area.

Exhibition

There are three entrances to the exhibition hall from the conference rooms. Then there is an exit leading out which also is the opening where all your goods and props will be taken into the exhibition hall.

The big café, the only one at the symposium, is situated in the congress hall with entrance between B6 and B7.

A 12 areas against the wall of the congress whereof A12 will be sold as a free market area.

B 14 mixed areas whereof 10 are sold as stands with mounted showcase walls.

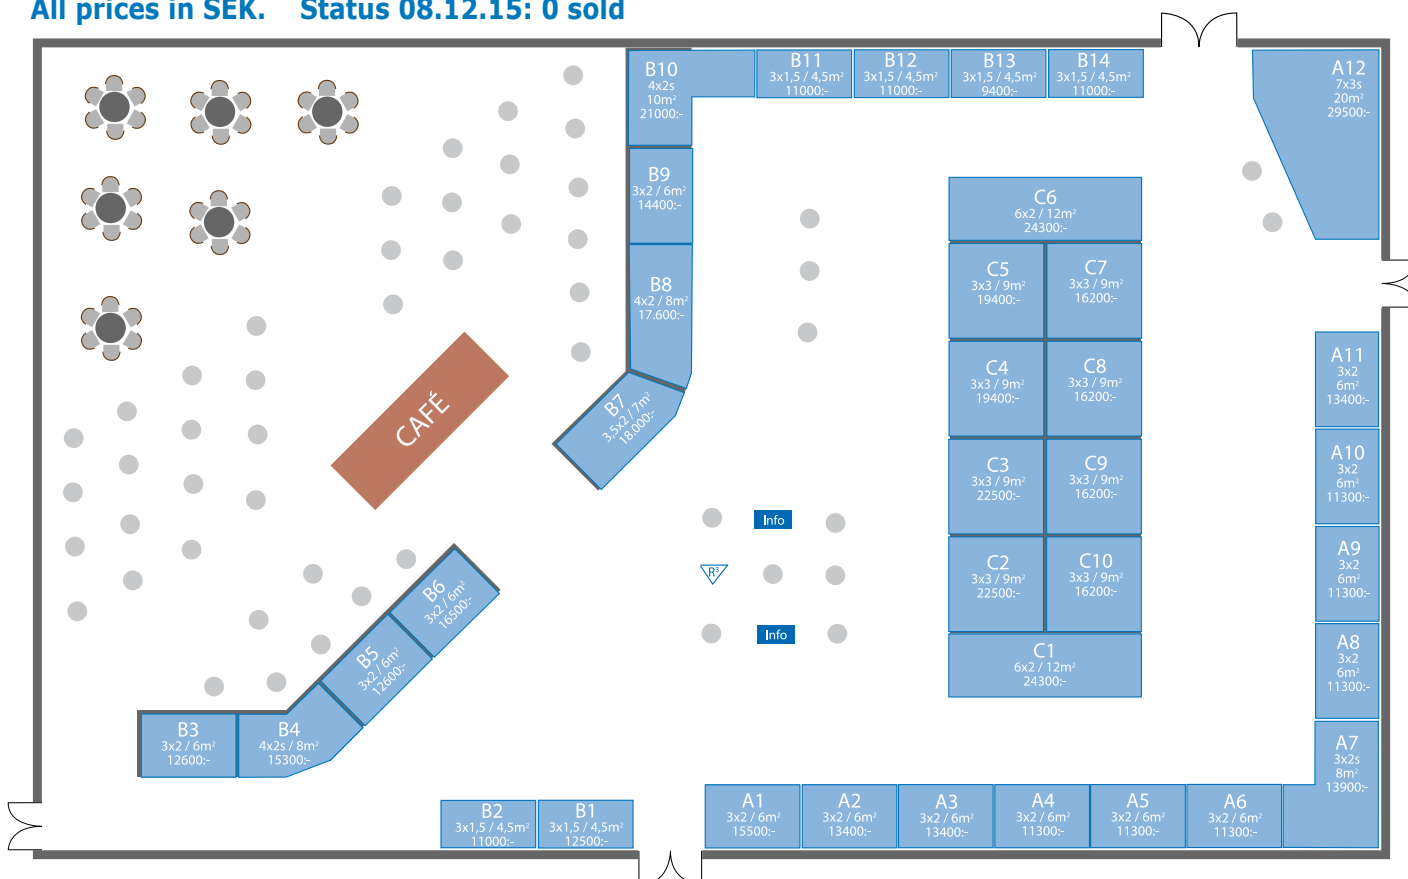

C An island with eight stands of 3x3 m and two bigger at 6x2 m without any side walls.

Order today

On the next page you will find an interest form where you can state your wishes. Do not hesitate to call me in case you have any questions.

Visitor Tickets: Exhibitors can invite customers and colleagues to the exhibition. You will get more detailed information with your confirmation.

All prices in SEK. Status 08.12.15: 0 sold

Interest form

Fill out and fax to +46 171 360 99

We wish to participate as exhibitors at the year 2009 exhibition.

We would like to order (in priority):

1st choice:..... 2nd choice:..... 3rd choice:.....

Other special wishes:

.....

.....

The (preliminary) number of people participating as exhibitors from our company: 1 2

Company: Telephone:

Attention (name): Mobile:

Postal address: Fax:

ZIP-code / City: Country:

E-mail: VAT No:

Date: Signature:

We will confirm your order in a couple of weeks. Enclosed to that confirmation we will send you an order form regarding chairs, tables, Visitor tickets and others for the stand. On the same form you must also state the name of the representative (exhibitor) as well as the co-exhibitor if you decide to send two representatives from your company. Enclosed with the confirmation you will also find Registration forms for lunches, excursions and social arrangements, to be filled in by the exhibitor(s). An invoice for all the costs for the exhibition will be sent to you in SEK from Jarl & Co.
