

INVITATION TO THE 40TH R³ NORDIC SYMPOSIUM & EXHIBITION GOTHENBURG MAY 10-12 2009

The Swedish program committee cordially invites you to participate in the 40th Anniversary celebrated with the Symposium and Exhibition at Best Western Hotel Arken Konferenscenter in Gothenburg.

This will be the 4th time R³ Nordic arranges its annual symposium in Gothenburg. The first time was 33 years ago, in the beginning of April 1975. In 1976 the joint ICCCS and R³ Nordic Symposium was arranged in Copenhagen. In 1977, 25-26 May R³ Nordic was back again in Gothenburg and after another four years (with symposia in Norway, Finland and Denmark) the Swedish program committee chose Gothenburg 4-6 May 1981.

The symposium in 2009 will give the attendees opportunity to update professional knowledge, give new ideas through the interaction among different cleanroom technology users, network and to meet old and new R³ friends.

**Go 4 and
Pay for 3**

A special anniversary offer is presented: Register four people from the same company at the same time and pay only for three!

It feels great to arrange the 40th symposium in a city with R³ history! We look forward to see you in Gothenburg in May.

THE BEST WESTERN ARKEN HOTEL, GOTHENBURG

Programme

We have composed a program that covers the use of cleanroom technology and contamination control within the pharmaceutical and biotech industry, food industry, factories and hospitals.

Many prominent speakers will contribute to a very interesting conference. Today's problem with counterfeit of raw materials and products will be discussed. The programme will be presented on www.r3nordic.com

Exhibition

An important part of the symposium is the inspiring exhibition where you meet the suppliers of equipment and services. New products and services will be presented at this exhibition which we believe, considering the facilities, will be one of the best in these 40 years.

Social programme

The 40th anniversary of the R³ Nordic will be called attention to at the social events.

On Sunday evening the social programme offers a get-together dinner. Take the opportunity to meet the board members, the speakers and colleagues in a relaxed mood.

Monday night we will start the traditional banquet with a gathering at the veranda.
